*“ Companies are evolving.  
Work is changing.  
Fromont Briens is rising to the challenge. ”*

# Our DNA

Since its creation, Fromont Briens has pursued a development approach based on unfailing internal growth through a partnership policy of our associates, most of whom were recruited at the end of their university studies.

The firm contributes to the development of positive law and doctrine through the regular publication of articles and works, a collaboration with numerous academics specialised in labour and employment law and through technical discussions conducted with the support of a scientific adviser.

Fromont Briens is a member of Littler, an organisation created by the American firm Littler Mendelson PC, the largest labour and employment law structure in the United States, with more than 1,000 lawyers.
